## Fun to look at, but...

Some girls love candy, some love jewelry, and all love money. But some girls like other girls. Then they grow up to be ladies that like other ladies. Then some of the ladies like sex, and toys. We like pussies with toys on them and in them. And we love the loud buzzing sound they make until they are in a soft wet pussy and the sound gets muffled.

# THE MAN CAVE

SOLACE SANITY

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

Percy and Sheila lived next door to us We become good friends with them over the past five years. Sheila is like a little doll with large, firm boobs and a fine, tight ass guys dream about. As if that weren't enough, she has incredibly pouty lips framed by a flawlessly smooth and pretty face. But the best thing about her is her willingness to flirt. That always makes us men feel good. The bad thing is, she gets me all riled up and I can never do anything about it, I think. At their infamous pool parties I have the opportunity to admire her luscious assets. Sheila enjoyed the attention and flirtatious comments that the man would make, because she would flirt right back.

It seemed like her husband didn't mind. As a matter of fact he would usually just make a short appearance at the pool parties, go over and give his wife a kiss, slap her butt and head back into the house. My wife would rarely come over also. She usually spent the day on the phone with her girlfriends, or looking through her social media sites. Last Saturday at an evening pool party for just a few neighbors, Sheila came over and sat on my lap in her new string bikini. The feeling of her tight ass cheeks on my thighs made me pretty horny. She had a few drinks and was feeling kind of frisky but I was a complete gentleman. However, that night my wife got the best of it. She got a nice long hard

fuck from me like I was ten years younger. I know it was a release the excitement from the thoughts of Sheila on my lap.

A few weeks later as I was working at home, Sheila came to the back door with a bottle of wine. She said she noticed my car in the driveway and thought I might like to have lunch with her. It was a hot summer day and she had on a short tight fitting sundress. I gladly invited her in. We sat the kitchen table and washed down a light snack with a couple glasses of her wine. Sheila mentioned that Percy traveled a lot on business and she was often bored and hated just sitting around the house. She also knew that my wife was in Orlando visiting her mom. They often spoke over the back-yard fence.

I was listening but mostly I just enjoyed watching her walk to the counter and back to refill her glass. Her short dress clung to that firm waist. Her bare thighs look great below the hem. I realize she didn't have on a bra, and begin sneaking peeks at her protruding nipples. The more I peeked, the more my dick began to swell up the site of this sweet little piece of neighborly ass. After more small talk, I was so horny that I decided to better make a move.

I looked at her and said, "Sheila, I appreciate you having lunch with me but I need to get back to work, since you were nice enough to bring dessert." I could tell she knew exactly what I meant.

She laughed nervously and said, "Some desserts are way too fattening."

"The dessert I have in mind isn't," I said.

She laughed again, "You're a naughty boy, but I should let you go back to your work."

She walked towards the back door, but suddenly looked back at me and with a smile headed back through the kitchen and past me. As I turned to watch her, she headed up the stairs towards the bedrooms. I quickly followed not sure what she was up to. I froze in the doorway of my bedroom as Sheila, untying her shoulder straps and letting her dress fall to the floor. Her naked body was even better than I had imagined: full, round breasts, pink nipples, flat stomach, and the type around ass I had silently admired at all her pool parties. She turned around saying, "Do you still want dessert?"

I took the few steps over to her standing by the bed. The bed my wife and I have shared, with no one else. Well, a bed is just a bed, I justified to myself. "That feels nice." Sheila said as I gently squeezed the enormous mound of breast, finding her nipple becoming aroused. "I like that." she hoarsely rasped.

I gently kissed her on the lips and took her hand and put it on my growing bulge. I lowered my hand pressing one finger into her sopping wet hole. I took off my shirt and pulled her against me, crushing her lips with mine in a passionate kiss that left both of us breathless. My hands were playing with her boobs and pussy, turning her on even more than she already was. She responded by grinding her hotness and wetness against my bulge, getting the front of my zipper wet.

She broke our embrace and pushed me onto the bed. She undid my belt, unzipped my pants, removed my shoes and socks, and pulled my pants off, watching my stiffie leap up. She leaned over my body and pushed her boobs in my face while she handled my cock, teasing the head with her hot pussy lips. She then slowly moved down my body, kissing and licking her way down to her fully erect prize.

Sheila knew it would taste terrific in her mouth. She gently licked it, kissed it, and drew it into her

waiting mouth. She took my entire length into her mouth, and down her throat, right to the base of my cock. She fucked my cock with her mouth for a good five minutes, always stopping me from cumming. She popped it out and said, “That did taste good, now I can’t wait to fuck it.”

Then Sheila sat back, giving me a flash of her glistening kitty. She got up on her knees, straddled my cock and impaled herself on it, taking it all the way into her pussy in one stroke. She then began to fuck me like her life depended on it. She went faster and faster, forcing me deeper and deeper into her hole. She leaned over my face so her full breasts could swing in my face. “Pinch my nipples,” she cried, trying to cum. “Pinch them now!”

I pinched her nips, and that got her even closer to exploding on my cock. “Again!! Harder!! Bite harder!!!” she screamed. I did, and soon she was screaming in ecstasy. Sheila creamed all over my cock and the sheets. She did, however, pull off me before I could jet my own cream in her pussy.

I cried out, “I need to cum too, baby!” Sheila responded by turning away from me and spreading her ass cheeks. “Put it in there,” she said.

And once she was on her hands and knees with her tight heart-shaped ass in the air, I worked my way into her doggy-style. Her pussy was as tight as I had imagined. Sheila groaned and started talking dirty. She said that my cock was much bigger than her husband that she loved being fucked by a big cock like mine. Her hot talk made me so excited that I began pumping faster and faster holding onto her beautiful ass as she pumped back against me. We both were loving it, our body slapping together with each stroke. Soon I felt my load about to cum, and I began pumping even faster than before.

Sheila could tell I was finally cumming. She reached around and grabbed my balls with her fingers. It was too much for me and I shot my load into her ass. As I came she pushed against me, moaning softly, grinding her ass against my groin.

I pulled out, limp and spent, and collapsed on top of my little Sheila. I whispered in her ear, “baby, I’ve been wanting to do this for a very long time, but I never thought you’d let me in your ass.”

She smiled and whispered back into the pillow that she hadn’t been fucked in almost a year. Percy was going through an identity crisis and the taste of pussy was now a turn off. She rolled over onto her back and put a finger to my lips, “Not another word.” she said, and pulled me on top of her and started to kiss me again.

## Two to the Dildo

**How can two women dressed like this lose. We can't; especially when we start kissing each other and then start making out even more; and then undressing each other to reveal some of the hottest bodies men or women have ever seen. We never strip nude or have sex in front of the people, but we do stretch it to the limit and leave them wondering how far we will go!**

# dream lover

## when you don't want to be alone – and who does!

**So what's a poor girl to do?** I feel stuck in a ten year soulless marriage that I just hang onto for the sake of the kids. I talk to my girlfriends about Tom and they all tell me to get out of our marriage. But I can't. My parents would probably consider me a failure. Surely the office would find out and I couldn't face that. The church I go to would also learn of it and I was not about to commit adultery in their eyes, and have to live with that fear and guilt. I did get up the courage to speak with my minister in private about my frustration and while he said he understood, he did not offer any advice that I could take to heart. He suggested that I stick with my husband and try to find ways to change him. I don't think that's going to work. He also suggested that maybe we should go on separate vacations for a week and hope that will restore the ardor in our relationship. I don't think my husband would go for that, either. He'd wonder why we needed separate vacations and that, then, would open up a can of worms.

I finally broke down and tried to talk to my husband about it. Unfortunately he was less receptive to discussing it than I had hoped. I tried to sugar-coat it, telling him I would try new things with him. I said that I'd fuck him more often, even give him blow jobs every day. He just wasn't interested. Then I asked if he was cheating on me. Well, he went through the roof accusing me of all sorts of things. I was devastated that we couldn't resolve anything, and maybe it just made things even worse. I know, you are probably thinking I should grow some balls and move on. I just can't do that to my family. I do have hope that he'll come around soon and we'll get back to normal. I really feel that if our sex life gets back on track, the rest will fall in place, too. I don't know what to do, so I retreat into my own fantasy world.

I have created my fantasy man and he visits me, and makes love to me whenever I want him to. He never tires, he never refuses me, and above all he leaves when I'm finished with him. His name is Alfie. He is handsome and he is strong. He listens and he is always there. He makes love to me the way that I want him to.

I lay in bed in my half-sleep. Alfie's warm body is next to me and I gently become aware of his strong hands making soft strokes on my back. The heat of his body and the warmth of his

My body cannot stop the locomotive. It's signaling to my brain to let go. It's cumming, I'm cumming. Then I realize that I'm not the one in control. Alfie stops suddenly. I grab his head and push it down forcing his mouth back down onto my throbbing knob.

hands caress my skin. I feel his hot breath on my neck as he kisses it from my shoulders to my hairline. I moan softly as I reach back and find his hair. I play with it, twirling strands in my fingers. Around my body I feel his arms encircle me, his hands reaching forward to cup one of my breasts, gently kneading, my nipples tightening into stiff peaks. I latch onto his hand, holding it firm as I roll my body to face him. Our lips touch; my tongue softly penetrates his mouth. I open my eyes and look deeply into his with streams of love pouring out of them. I tell him he is the love of my life. This raises our body heat and with our eyes locked, he pushes his thighs gently between mine. I open them and hook my leg over his, sensing his manhood arousing.

I feel him separate his body from mine leaving a cool patch where our flesh was touching. He pushes me tenderly onto my back. His lips still kissing my neck, then moving down between my breasts. Upon arrival, he pushes them together as he buries his face between my mounds. The stubble on his chin scratches then stimulates my breasts making my nipples hard. First he takes one nipple into his mouth, then the other and sucks on them, his tongue wetting each with his love. My hands now stroke his dark hair as I push my breast and nipple deeper into his mouth. The feeling of his tongue licking them is sensational, like static charges jumping from his tongue to my flesh and then charging down the length of my body.

He lifts his head from the treasures on my chest and moves downward, making a wet trail straight to my most sensitive of areas. I do not stop him, I want him to hurry but I hold back, letting him take his time and me to pleasure. His tongue reaches it destination and searches over my pussy lips, then between them finding my 'on' switch, and delicately licks my sensitive enlarged button. Uncontrollably, my back arches and my hands grab his hair as my thighs clamp around his head as I buck off the bed. My actions bury my clit deeper into his mouth. He begins to suck me harder and deeper. His long wet tongue flicks and rolls the nub. He pushed my thighs apart, and opened my labia for better access for his conquering tongue. He rolled the tight bud expertly inside his mouth, lapped and pushed his tongue round and round my clit. I'm almost there. Ecstasy awaits. I wait for it, but it does not wait for me. The build up is excruciating and I love it. I don't want it to stop. I don't want

the inevitable – yet. I want to surf in the waves of the big one.

My body cannot stop the locomotive. It's signaling to my brain to let go. It's cumming, I'm cumming. Then I realize that I'm not the one in control. Alfie stops suddenly. I grab his head and push it down forcing his mouth back down onto my throbbing knob. 'Stop resisting,' I say in my mind. He pulls back with a loud suction noise popping off my pussy. My pussy cools from his mouth's absence, but it is hotter than ever in anticipation of the next. Alfie moves so that when I look up and see his hardness, I cannot help but

leave my feelings in limbo and move in to orally adore it. I lick my lips and it doesn't disappoint. It is just inches from me now. I have to have it. It begs for my mouth and tongue without saying a word. It knows exactly what I'm going to do so I reached up and gently move along its length with my tongue. I smell his manliness and it adds to my ardor. Seven inches later I'm at his balls and suck them – first one, then the other. The feeling is sublime.

His penis is twitching. His hands settle around my head and pulls my mouth to the tip of his cock. I have no choice but to suck it. My moist warm tongue massages the head. It searched for the small opening in the tip and slides in just a touch. I know he doesn't expect it. I want to do what he doesn't expect. He groans loudly. I feel the vibrations in his rock hardness. He holds my head tight and rocks his cock back and forth, in and out of my hungry mouth. My hands move behind him and caress his butt cheeks. They fit firmly in my grasp and I pull them towards me. My lips tighten around his shaft, my tongue rolls inside my mouth caressing every inch that is inside. He thrusts his cock to the depths of my mouth, hitting the back of my throat. He tastes delicious on my tongue.

My moans are encouraging but Alfie pulls out. I watch his stiff cock move away and down between my legs. His large hands grab my ankles and lift them up and out, opening my legs wide, exposing my hot moist slit to him and his anxious cock that's pointing right at it. He dips not one but two fingers inside my tight love tunnel, then raises it to his hungry mouth and sucks my juices off from his fingers. He looks at me and tells me how much he likes to taste me. But enough. I want... I whine...

Suddenly, he pushes his cock all the way inside me in one long thrust. My pussy squeezes his rod with joy, making the tunnel tighter and tighter. My pussy feels the entirety of him. It spasms all around him as I'm about to cum again. Alfie's hands pinch and pull at my nipples. Then my pussy squeezes him one more time and abruptly, my orgasm bursts forth. My body melts into the flowing river that is Alfie. I was no longer in control of my body's actions. I quiver in my ecstasy, and moan loudly in my pleasure. He pushes all the way in and stays there.

Alfie can feel my pussy milking his hardness, willing him to cum inside. At long last, he can no longer hold back. In one long slow push to the depths of my love-canal, he spurts, mingling his cum with my juices. He collapses on me, still inside me, resting his cock between the walls it just fucked. He leans down to kiss me, drops of sweat glistening from his broad chest, falling onto mine. I kiss him back and whisper that I want to taste him. It was not fair to me to leave his cock inside my pussy. He pulls his hips back and his cock flops out of my tunnel. He crawls up towards my head and straddles my face. Lowering his hips, I want to taste his cock and the musk of his balls. I want to taste the mix of our love. I gently take it with my hand and pull it near my nose. I inhale the sweetness of our union. I lick the tip, the shaft, his balls. I want his sweaty manhood to envelope me in it's sensuous aromas.

Slowly he backs off me and lays by my side. His hands gently rub my body in soft caresses. He snuggles next to my ear and whispers how much he loves making love with me. How much he loves me. How he can never cheat on me. Alfie, I only wish you were real.

GEN AND DYLAN

## Two on a bed.

There are days when ‘double your pleasure’ means just that, and today is one of those days. Love buddies Gen and Dylan are getting together in front of the lens for a run through of a scene they’ll be doing an another day or two. The test started rather tame with just some girl kissing and giggling, but that soon led to deep tongue probing and clothes coming off. Blondie Dylan seem to be taking the initiative before Gen got it in gear and took over. There was an awful lot to do before the toys came out.

## Gen: I'm horny

already and we haven’t even begun. I love fucking Dylan, She’s so receptive to everything and that’s a big turn on. She’s one of my favorite girls to play with. I even remember the first time the two of us got together. It was on a naughty America shoot and while I was a little more experienced, Dylan brought a lot of energy and excitement to fuck that I’ve rarely seen in this business. That first time we were outside by a pool and I remember her eating my pussy for such a long time that her back got sunburned.

**No, she didn't** bring up the pussy-eating sunburn again! Well it is funny – now, but back then I couldn't work the rest of the day and the producer didn't want to pay me, but the rest of the cast got together and convinced him it wasn't my fault. The director told me to keep eating her because I was doing it so good. In reality that was only the second pussy I had ever eaten. The first was two weeks before on one of my first movies. I put down that I'd do lesbian scenes on my profile at my agent's office. Now I had to do it.

## I'm ready to go

so can someone please go find Dylan. So while they're looking for her let me tell you one more Dylan story. About two months ago we were shooting for this internet guy who only shoots scenes, no movies. We went to his place in the Marina and found out all he wanted to do was have us kiss. At least on camera. While we were kissing, she slipped her hand down into my panties. She rubbed my clit and fingered my pussy, so of course the kissing got more passionate. He paid well and we left.

## Let's get it on

because I can't wait to get fucked by this bitch. Gen, my pussy's already wet so get that tongue over here and start licking. I'm gonna grab some toys for when you're done. Did I mention that my pussy's wet? Then I'm gonna spread your legs and return the favor. I can't wait to taste you so I hope you're ready. I know you want me on my knees so get over here while I spread my ass cheeks for you. Cum lick me and I'll lather up the strap-on because I can't wait to get fucked by you. Let's do it, baby doll.

# EMILY & RANDY

## Purple is our favorite color!

**You know we girls like playing dress up. And we enjoy undressing each other as much as guys do. After clothes shedding, we'll get down and eat each other's pussies because we smell as good as our taste. But we also have a secret weapon of pleasure. An 18-inch beautiful translucent double dong... purple. And you can watch this incredibly hot scene online!**

WE LOVE OUR HUGE PURPLE FRIEND
